**A MISS AMERICA PRELIMINARY  
SCHOLARSHIP COMPETITION**

# Greetings!

It gives us great pleasure to invite you to participate as a sponsor of the Miss California Organization! MCO organizes, promotes, and manages our network of Local Competitions throughout the state, as well as our State competition each year.

Our financial support comes completely from the community and our generous sponsors. It is thanks to these sponsors that we are able to operate our program and provide scholarships to young women, for the past 100 years and counting, throughout our Golden State.

Through advertisements in our competition magazine, private and corporate donations, ticket sales, and fundraising events, we are able to award our contestants scholarship money to help them achieve their scholastic ambitions without the stress of tackling student loans alone.

We are currently seeking sponsors to support our mission and would love to explore a potential partnership with YOU!

All funds raised go directly to our scholarship fund, our program cost, and our awards to the Miss California contestants.
